Subject: The criteria to accept the Erasmus+ students

Dear coordinator,

According to the new modification in General veterinary medicine (GVM) study programme at the University of Veterinary Medicine and Pharmacy in Košice and in the framework of bilateral agreement between both institutions, we want to inform you about the criteria to accept the Erasmus+ students from academic year 2019/2020 to our University:

-Student can apply for all subjects of Recommended study plan of General veterinary medicine study programme, except the subjects marked as state exam (SSE).

-Student is awarded by credit points only for subjects fully completed.

**Please check the criteria before sending us the new candidates and Learning Agreement proposal.*

**All information related to Recommended study plan of General veterinary medicine study programme and Course Catalogue GVM you can find on our website- <http://www.uvlf.sk/en/international-exchange-study-programmes/erasmus>*

**Do not hesitate to contact us if you have any additional questions.*

I am looking forward to our cooperation.

Sincerely yours,

Zita Faixová, Prof., DVM, PhD.
